

# Empower Your Firm with **Smart, Secure** **Card Issuing**

For settlements, client trust payouts, and  
firm expense management.

## The Problem

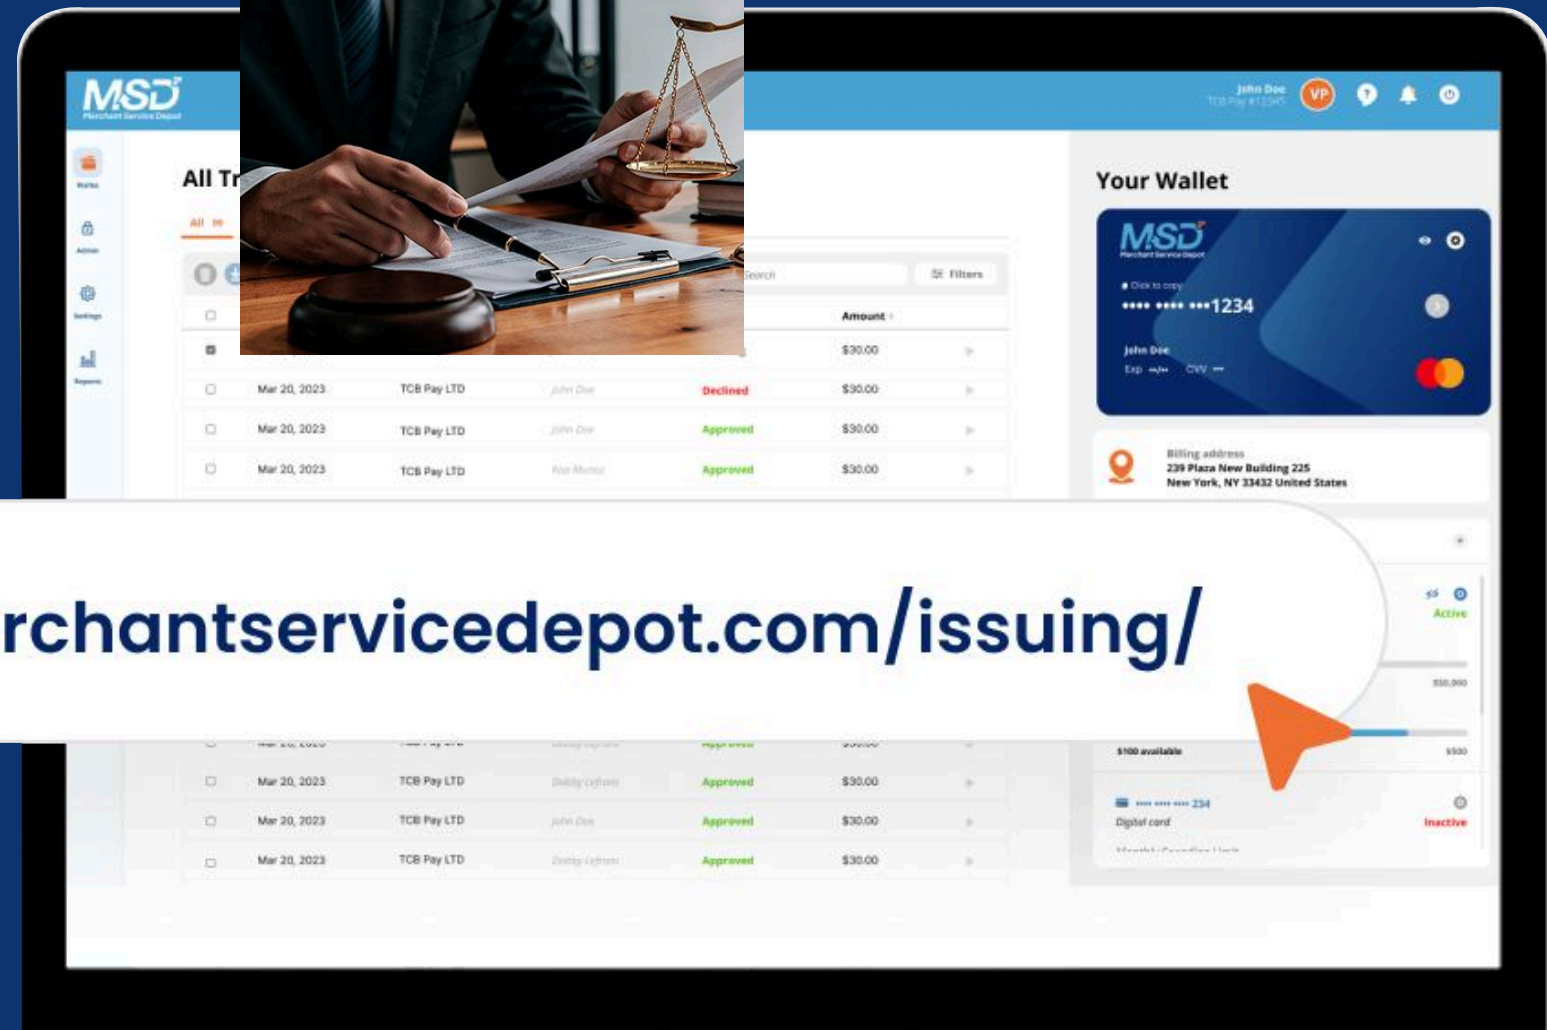

- ✓ Paper checks and wires delay settlements
- ✓ Manual reconciliation is time-consuming
- ✓ Risk of fraud and errors increases with paper-based payouts
- ✓ Client satisfaction impacted by slow fund delivery

## The Solution

# Merchant Service Depot's Law Firm Card Issuing Platform

- ✓ Issue prepaid or virtual cards for instant disbursements
- ✓ Manage multiple clients and matters efficiently
- ✓ Real-time tracking of funds and balances
- ✓ Reduce administrative burden and human error

[merchantservicedepot.com/issuing/](https://merchantservicedepot.com/issuing/)

## Why Law Firms Love This

- ✓ Instant digital disbursements
- ✓ Full ledger visibility for compliance
- ✓ Eliminates manual reconciliation
- ✓ Reduces risk and administrative costs
- ✓ Enhances professionalism and client trust

Use Case 1

# Settlement Payouts

- ✓ Load client funds instantly upon case resolution
- ✓ Provide clients with immediate access to settlement funds
- ✓ Reduce wait times and improve client satisfaction
- ✓ Simplify reporting and reconciliation for accounting teams

## Use Case 2

# Trust Account Distributions

- ✓ Load client funds instantly upon case resolution
- ✓ Provide clients with immediate access to settlement funds
- ✓ Reduce wait times and improve client satisfaction
- ✓ Simplify reporting and reconciliation for accounting teams

Use Case 3

# Partner & Staff Expenses

- ✓ Assign cards to partners, associates, or staff
- ✓ Set spending limits per card or department
- ✓ Monitor transactions in real-time
- ✓ Simplify reimbursement and expense reporting

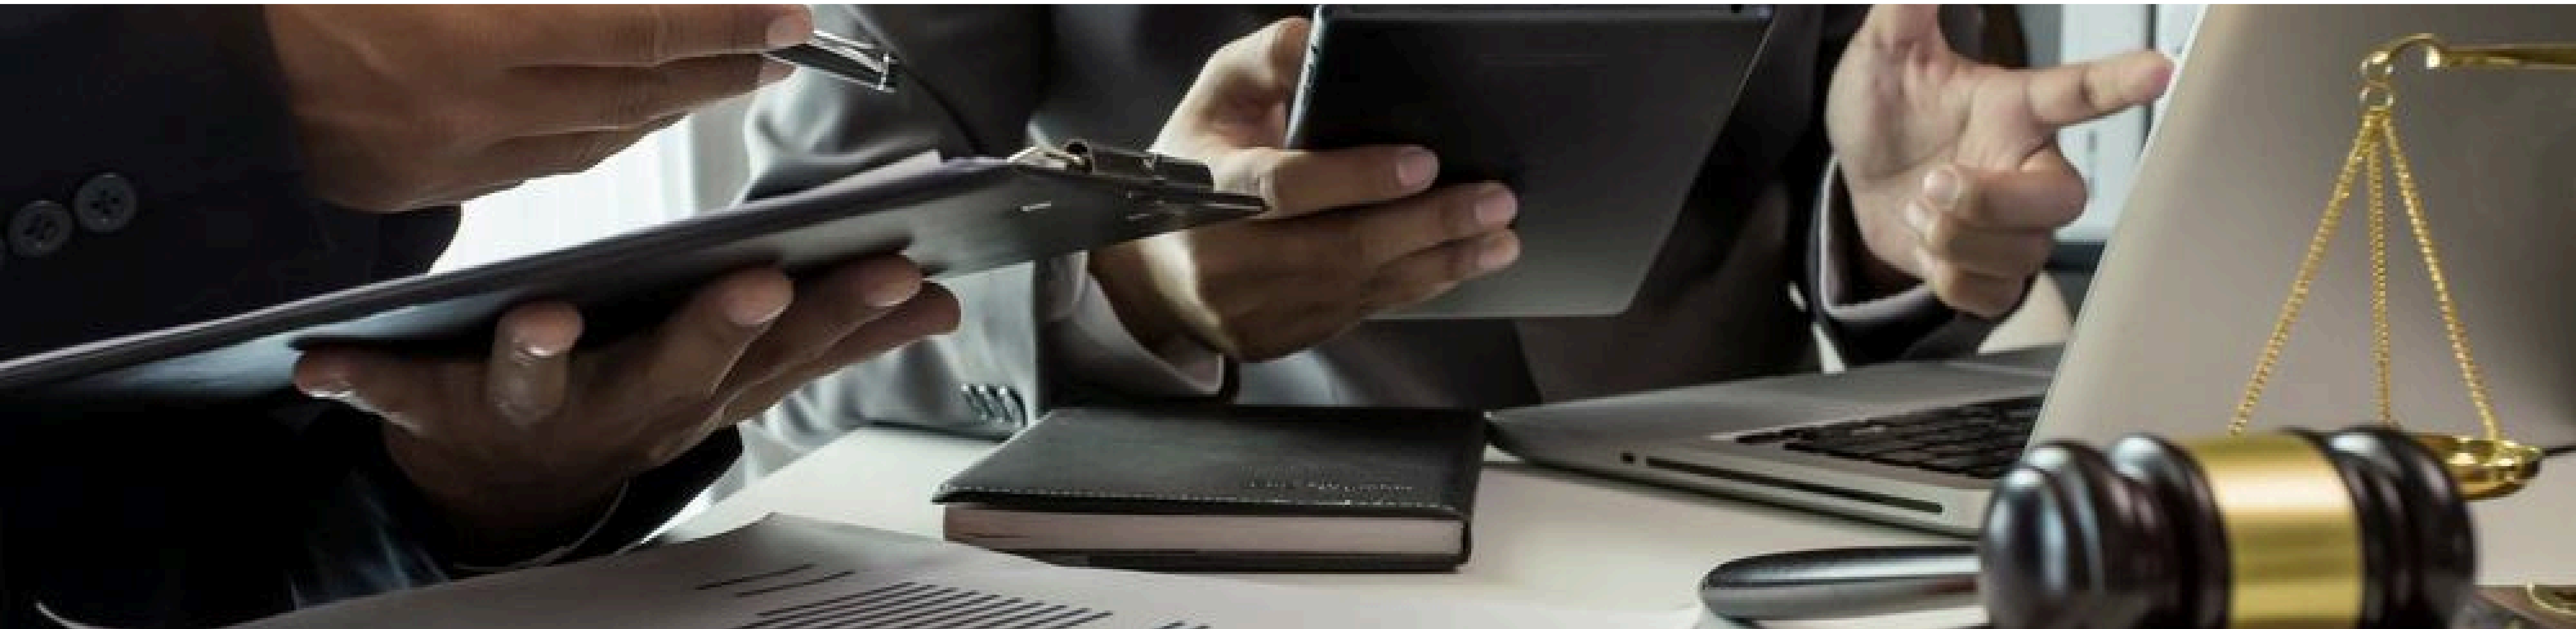

Use Case 4

# Client Refunds

- ✓ Process client refunds quickly and securely
- ✓ Avoid paper check delays
- ✓ Improve client satisfaction with faster turnaround
- ✓ Automate tracking and reporting for internal controls

# Compliance & Control

- ✓ Platform backed by regulated sponsor banks
- ✓ Segregated balances by client or matter
- ✓ Full audit trail for legal and fiduciary compliance
- ✓ Optional KYC/AML and fund flow monitoring

# How It Works

Your firm uploads  
disbursement data

Cards (physical or virtual)  
are issued instantly

Funds are loaded through  
MSD's issuing platform

Clients or staff access  
funds immediately

Thank you 🙌
